

YORKSHIRE PHILOSOPHICAL SOCIETY: INDEX OF MEMBERS 1822-1855 (last revised 12/2019)

New members were recorded in each YPS Annual Report. Current members were then listed in full in from **1824 to 1828**, then in **1831, 1834, 1837, 1839, 1842, 1844, 1849, 1852 and 1855**. The full lists follow the Annual Report **for the previous year**. NB: after 1828, full lists are not found in *loose* copies of Annual Reports held at the YPS Lodge, but only in the *bound* copies held there, in the YPS archives at the Borthwick Institute, and at York Explore Library and Archives.

Columns 1 and 2 of this index give **names, titles, honours**, etc., as in the published lists (and occasionally from original minutes).

Columns 3 and 6 have been supplied by the compiler of the index: biographical information from sources below and as shown.

Column 4 gives the **member's address**, i.e. city, town or parish from published lists with date of Annual Report, supplemented where known by compiler.

Column 5 gives **dates of membership**, with year of first listing (with month added for 1822-23 only, from Committee minutes).

G = year by which member has **Gone** from published lists (which unfortunately do not list members lost through death, removal or resignation), for example:

G 1828 = no longer listed at March 1828; G 1831 = there in March 1828 but not at Apr 1831; G 1834 = there in Apr 1831 but not at Mar 1834, and so on.

Sources and References – consult for fuller information about a member than is given in index:
