

## Parking for YPS Beverley Walk

Jim suggests that although there is parking in Saturday Market it fills up early and is best avoided unless you know your way around.

He has provided this map and directions to help you find a more reliable solution.

Drivers from York will arrive top left, proceed to round about shown, turn right, follow A164 to fire station (red blob) then turn left into School Lane. They can then walk back to meet the group at 11.15 am at Beverley Bus Station.
