HEALTH DECLARATION AND HEALTH EXCLUSIONS

It is very important that you read the following and, where necessary, declare any pre-existing medical conditions.

For UK, Channel Islands and Isle of Man trips only (except Air & Cruise Holidays)

You will not be covered under this policy for any claims arising as a direct or indirect of any pre-existing medical condition, unless you can comply with the following:

1. You are fit to travel and undertake your planned trip when you take out this policy, book your trip or at the time you travel (whichever is later).
2. Following any claim investigation, your doctor confirms they would have agreed with or recommended your travel plans when you took out this policy, booked your trip or at the time you travelled (whichever is later).
3. You are not travelling for the purpose of having medical treatment or a consultation during your trip.
4. You are not awaiting any medical tests, investigations or surgery, or the outcome of any tests or investigations when you take out this policy or book your trip (whichever is later).

For trips outside of the UK plus all Air & Cruise Holidays

You will not be covered under this policy for any claims arising as a direct or indirect of any pre-existing medical condition, unless you can comply with the following:

1. were prescribed medication;
2. received treatment or consulted a doctor or other medical practitioner for any medical condition;
3. attended a hospital or a clinic as an outpatient or inpatient;
4. were referred for tests, investigations, treatment or surgery, or are waiting for either results or a diagnosis;
5. had any symptoms of an undiagnosed medical condition or have had a terminal illness; unless you told us about the pre-existing medical condition and we have agreed in writing to cover it.

If you have not already done so, you should contact our confidential medical screening service as soon as possible after taking out this insurance policy and/or booking your trip to declare a pre-existing medical condition (or conditions): Phone: **02392 419 063**

Based on the medical information you provide, we will confirm if cover can be offered for your declared pre-existing medical condition (or conditions), and if an extra premium needs to be paid. Occasionally, we may need you to get extra medical information (at your cost) from your doctor to enable us to make a decision.

If an extra premium is required, cover will not start until this has been paid in full and we have issued written confirmation.

If we are unable to cover the pre-existing medical condition (or conditions), this will mean that you and any other person insured by us will not be covered for any directly or indirectly related claims arising from the pre-existing medical condition (or conditions). This applies even if the person with the pre-existing medical condition (or conditions) decides to buy cover from another provider.

Each person insured by us would still be covered for any unrelated (or conditions), subject to the terms and conditions of this policy.

For all trips:

You will not be covered if:

- Following any claim investigation, your doctor confirms they would not have agreed with or recommended you travel as planned either when you took out this policy, booked your trip or at the time you travelled (whichever is later).
- You know you will need medical treatment or a consultation at a medical facility during your trip.
- You are travelling specifically for the purpose of having surgery, medical procedures or hospital treatment, whether medically necessary or not.
- You had been diagnosed with a terminal illness prior to the date you took out this policy or booked your trip (whichever is later).

Exclusions relating to the health of someone not insured on this policy, but whose health may affect your decision whether to take or continue with your trip:

You will not be covered for any directly or indirectly related claims (see note at the end of this section) arising from the health of a travelling companion, someone you were going to stay with, a family member or a business associate if at the time your policy was issued:

- you were aware they had undiagnosed medical condition(s) for which they were awaiting tests, investigations or the results of these;
- you were aware that their medical condition(s) were unstable, were likely to get worse in the next 12 months or they had been diagnosed as having a terminal condition.

Note: Only claims relating to a medical condition where any of the above apply will be affected. This includes indirectly related claims. For example, if someone breaks a bone and a doctor confirms it is related to an existing diagnosis of osteoporosis (brittle bone disease), this would not be covered if we have not agreed in writing to cover the osteoporosis.

Level of medical cover provided

This is not a private medical insurance policy and only gives cover for emergency medical treatment and/or transport in the event of an accident or unexpected illness occurring during your trip.

This also means that any other person insured by us will not be covered for any directly or indirectly related claims arising from the pre-existing medical condition (or conditions). This applies even if the person with the medical condition (or conditions) decides to buy cover from another provider.

Each person insured by us would still be covered for any unrelated medical condition (or conditions), subject to the terms and conditions of this policy.
